Langlade County Emergency Medical Services

How can the Emergency Medical Services system best maintain high quality, efficient and affordable operations for the long term?

What organizational structure or model would best assure the long term effectiveness of operations?

Langlade County Emergency Medical Services

- a. Langlade Hospital to fund study – no direct cost to City
- b. City of Antigo and Langlade Hospital to form Task Group
- c. Issue Request For Proposal (RFP) – Retain Expert(s)
- d. Complete Study – make recommendations
- e. If Ok'd, determine best course/timeline for implementation

Langlade County Emergency Medical Services

Task Group Composition:

City of Antigo – AFD
Langlade Hospital
Ambulance Advisory Committee
Townships
County Board/County Govt.
Other EMS providers
