Future Plans

- See Schrieber Anderson's Park Plan for long term goals
- See 5 year Park Plan Matrix

Additional Notes/Comments

Little League Park is home to Little League Baseball. The overall park complex is adjacent to the new hospital and the southern access point to the boardwalk (one component of the Springbrook Trail). The field is a fan favorite for its unique seating that allows parents and families to view the game while seated on grassy slopes surrounding the first and third baselines.
