Peaceful Valley Park & Festival Grounds

Our newest park area is the Peaceful Valley Park & Event Center. Located between 5th & 8th Avenue along Field Street. The total park area is approximately 4.54 acres and covers a 3 block area. Springbrook Trail winds through this area and is paved for both pedestrian and bicycle use.

Peaceful Valley Warming House
 420 Field Street

Peaceful Valley Warming House was funded through a donation by Mr. and Mrs. Edward Stasek. We are very grateful for their generous contribution, which allowed us to build a facility the community can enjoy year round.

Exterior West Side

Exterior East Side

The Warming House has an external hose bib for water access. The hose bib is located between the men's and women's external restroom access doors.

There are accessible men's and women's restrooms on the outside of the building (hours are posted).

There is a serving window located on the west side of the building, which allows for outside access from the kitchen.

Interior Warming Area

The interior warming house area has eight windows that may be opened to allow for a breeze in the summer.

The total interior warming area dimensions are: 28' x 18'. 5 folding tables and 24 chairs are available for use within this area.

A permanent bench runs the length of the west wall.

A large concession window opens to the warming area from the kitchen.

Interior Kitchen / Concession Area

The kitchen area features:

- 2 sinks
- Counters along the north and south walls.
- A stand-up refrigerator with freezer
- Large roll-up concession window which opens to the warming area.
- A serving window which provides access to outside.
- Maintenance room access
- Microwave
